

Twitter:

1. Go to Twitter through the app or website in a separate window. <https://twitter.com/>
2. Log into your account.
3. Go to Nexen Media Library on the website. Click:
<http://nexentiregarage.ignitedsgn.com/media-library/>
4. Find and select a post you would like to share.
5. Click the download button in the bottom right corner. Looks like an arrow pointing down. It is purple.
 - Image/video will be saved to the download folder on your computer or into your phone's media library

6. Click the button that says, "Click to copy short text (Twitter)."
 - After you click the button, you can paste the text in the Twitter.

[Click to copy short text \(Twitter\)](#)

7. Press the button with a plus next to a feather to post

8. Upload photo/video and text to Twitter (the button on the button left that looks like a mountain)

9. Paste the text into the text section.
10. Press Post.
